STL KOREA

Private Label & OEM Solutions for Beauty Brands

We are a dedicated manufacturer of professional eyelash extension products, built on high-quality materials, reliable processes, and deep industry expertise.

We offer fully customized OEM services designed to meet the specific needs of our global clients, including lash artists, salons, academies, and beauty brands.

With a strong focus on quality, flexibility, and customer satisfaction, we strive to be a trusted partner for brands seeking premium eyelash solutions.

INSIDE OUR MANUFACTURING

Precision. Standards. Excellence

Operating at the intersection of science and beauty, our South Korean facility serves as a global manufacturing hub for premium eyelash extension products.

Founded in 2024, we are a fast-growing manufacturer specializing in professional eyelash extension solutions. We continuously pursue innovation and excellence as we expand our footprint in the global beauty industry.

We implement strict quality control at every stage of production—particularly in liquid formulations—to ensure product stability, consistent professional performance, and full compliance with international safety standards.

Our operations are certified under ISO 9001 and ISO 14001, reflecting our strong commitment to quality management and environmental responsibility.
